Omya Hamburg GmbH
Paper / Adhesives

Omya Group

Omya is a leading global chemical distributor and producer of industrial minerals. The company's major markets are food, personal care, the paper, plastics, paint/coatings/adhesives, construction industries as well as agriculture and environment. Founded in 1884 in Switzerland, Omya now has a global presence extending to more than 100 locations in over 50 countries and 7000 employees.

Omya Hamburg

Omya Hamburg, a German subsidiary of the family owned Omya group, complements the group's core business as a distributor and supplier of chemical raw materials.

The company's major markets are:

- Food
- Feed / Pet Food / Agrochemicals
- Oleochemicals
- Cosmetics / Personal Care
- Detergents / Cleaners
- Paper / Adhesives
- Construction
- Plastics
- Industrial Chemicals

Omya Hamburg is based in Hamburg, the largest chemical trading place in the world and capitalizes on the group-wide distribution network providing expertise service to achieve long-term, sustainable supply solutions for its customers.
