Compounding

Product group	Product	Brandname
Mineral Modifiers	Calcium Carbonate	Omyacarb 1, 2, 5, 10, 40, 50 Per specific application
Mineral Modifiers	Dolomite Talc Kaolin	On request On request On request
Functional Fillers	Hollow microspheres (aluminium silicate)	Fillite®
Flame Retardants	Zinc Borate Aluminiumhydroxide (ATH), Magnesiumhydroxide (MDH) and other inorganic Organo-Phosphorous Compounds , Red Phosphorus and other organic	Zinborel On request On request
Additives	PE wax Calcium Oxide (Moisture Scavenger) Magnesium Oxide (Acid Scavenger)	Coschem® On request On request

Film & Sheet

Product group	Product	Brandname
Mineral Modifiers for breathable film	Calcium Carbonate	Omyafilm OF753KU
Mineral Modifiers for non-breathable film	Calcium Carbonate	Omyafilm OF753KU Omyacarb 1T, 2T

Wire & Cable

Product group	Product	Brandname
Mineral Modifiers	Calcium Carbonate	Omyacarb 1, 1T, 2T
Flame Retardants	Zinc Borate	Zinborel
Additives	PE wax	Coschem®

Window Profile

Product group	Product	Brandname
Mineral Modifiers (for high-end)	Calcium Carbonate	Hydrocarb 95T KU, XP
Mineral Modifiers (for mid-end)	Calcium Carbonate	Omyacarb 1T

SMC/BMC

Product group	Product	Brandname
Mineral Modifiers	Calcium Carbonate	Omyacarb 5, 5T

Flooring

Product group	Product	Brandname
Mineral Modifiers	Calcium Carbonate	Omyacarb 2, 5, 10, 40, 50

Others

Product group	Product	Brandname
Mineral Modifiers	Calcium Carbonate	Omyacarb 2, 5, 10, 40, 50
