

Omya / Songwon Malaysia, Singapore, Indonesia and Philippines

We are pleased to announce that Omya was appointed by **Songwon** to represent their Coatings portfolio in Malaysia, Singapore, Indonesia and Philippines Coatings, Adhesives and Sealants market.

This is a great expansion of the strategic partnership with Songwon after having proven success with the Omya team in Korea. We are very proud to work with Songwon in the Southeast Asia region and look forward to additional developments in the future.

With its extensive distribution network, strong service capabilities and solid reputation, we are confident that the Omya team will develop and grow the business together in partnership with Songwon in antioxidants (AOs), UV absorbers (UVAs), and light stabilizers (HALS).

With this cooperation and strong partnership, both parties will benefit for long-term success.
