# Omyaloo™ FC

Certified recycled  
functional additive

THINKING OF TOMORROW

# Omyaloo™ FC

Certified 100% recycled functional additive for construction applications.

- **Certified recycled content**  
UL-validated as containing 100% recycled content (mass averaging), supporting sustainability claims and compliance with industry goals.
- **Enhanced properties**  
High-brightness and fine-grades available, enabling high-end applications.
- **Reliable, high-quality supply backed by global manufacturing**  
Delivering consistent, high-specification products through multiple local and global manufacturing facilities—ensuring dependable availability wherever you operate.
- **Worldwide expertise and local support when you need it**  
A global support network combined with technical resources and formulation expertise provides detailed guidance and responsive assistance across regions.
